TERM 4

November 5 & 6

Dear Parents,

We have had another busy week here at OLMC.

We celebrated the Feast of the Assumption on Wednesday.

Our Foundation children also celebrated 100 days of school, which is a milestone on their educational journey. They also visited Woolworths for a store tour. It was fantastic to see the Preps having a science incursion on Tuesday afternoon with one of our Prep dads who conducted experiments with them.

Congratulations to Liam Joyce(3/4CC) player for Rupertswood Football Club who came equal 2nd in the RDFNL under 11 Best & Fairest Awards. Well done Liam.

Our year fives had a Human/Christian Sexuality night at the Parish Centre on Tuesday evening, which was well attended by parents, children and staff

The senior children have their Business Expo on Friday 17th of August at 12.15 until 1.15 in their classrooms. I know that they are all very excited about showcasing their business and goods. Parents are very welcome to see some of these exciting ventures that the children have created. I commend the 5/6 teaching staff for the work they have done with the children.

Next week:

Monday we have a visiting Opera Group performing "By the Light of the Moon' for all of our children throughout the day.

Tuesday night we have a Confirmation Parenting in Faith session for our Year six children and their parents. This begins at 7.00pm and will be held at Saint Anne's church.

Please find attached a flyer for a two-day Parent/Carer workshop to support school aged students on the autism spectrum. This is a free workshop so any interested parents are welcome to register and attend.

Though we are still in winter it has been pleasing to feel the warmth of the sun these last few weeks. I hope that the weather continues to improve so that the children can enjoy playing outside in some warmth.

Kindest regards,

Mark Gleeson

BOOK WEEK 2018 - FIND YOUR TREASURE

Book Week Parade

On Monday the 27th of August our annual Book Week Parade will be held. Students are encouraged to dress up as a book character from one of their chosen book treasures. Alternatively as the theme is about Treasure students can also dress up as a pirate.

Family Book Treasure Display in Multi-Purpose Room

This year we are hoping to have a Book Week Display set up in the MPR. We are asking families to work together to create a display, which highlights a treasure you may have read together as a family.

What you create is totally up to you. It could be 3D Model, a collage of your family reading the book together, a book review, an alternative ending to your book, etc. The list is endless. The artwork would need to be delivered on the 24th of August so that it can be set up ready for Book Week. The finished pieces of work can be delivered to the meeting room, clearly labelled with the family or student's name.

If you have any questions about the Book Week Parade or the MPR Display please don't hesitate to contact me.

Foundation 100 Days of School Celebration

Jump Rope for Heart 2018

Our Lady of Mount Carmel School is participating in Jump Rope for Heart.

We are learning about skipping and how this simple exercise can be a lifelong practice to promote heart health and a way to stay fit during the cold months.

In PE classes students are learning the art of skipping solo, in pairs and in the group situation.

This week a program flier and sponsor form went home. The idea is to raise some money for the foundation. Students have friends and relatives sponsor them on their "JUMP OFF MORNING".

On the 3rd of September from 9:15am to 11:00am students will have fun working through 11 different rope challenges – Our JUMP OFF MORNING . This will be the culmination of the fundraising part of the program. It is envisaged that all money raised will be donated ONLINE and directed to the Heart Foundation. The Foundation utilizes this money doing much needed research into Heart Health and assisting people with Heart related illness.

The students are very excited about having the opportunity to learn new rope/skipping skills and showing off their new learning in this area.

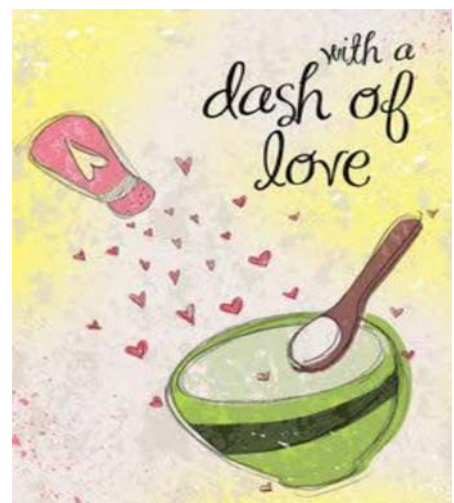

In appreciation
