TERM 4

December 3

Dear Parents,

The time has come to start announcing some staffing arrangements for 2019. At the end of the year we say good bye to Ms Ann Douglas and Ms Jill Young. I would like to thank both of these teachers for all of the contributions they have made to our school during their time here and wish them every success and much happiness in their new ventures. Ann will be moving to St Mary's in Ascot Vale and Jill is heading off to St Joseph the Worker in Reservoir.

I would like to introduce 3 new staff members to the OLMC community. Bianca Cristini was a student teacher from ACU in 1/2MT this year. She has now graduated and will be joining us on a full time basis as a classroom teacher. Francesca Rizzo was a student teacher in 5/6S last year and has spent this year teaching in Tarneit. As we are introducing the extra class next year by splitting the Year 1s and 2s, I have been able to employ these two new classroom teachers. I would also like to welcome a new Maths leader, Michael Minas, into the school. Michael has had vast experience in teaching and leading the Maths curriculum.

Due to the extra class, we will have some different arrangements for classrooms next year so that year levels can stay together in the same area. The current 1/2 classrooms will become the 3/4 area. I have purchased some new furniture and we are looking at better ways to best utilise the space. The Year 1 and 2 classrooms will be upstairs where the 3/4s are now. The 2019 teachers will communicate with you about where the children will line up and other information regarding this move.

This means we will have some classroom tables and chairs available from the current 3/4 classes that will be free to good homes. I will also be asking for some parent helpers for when we need to move furniture in the last week of school, probably the Monday or Tuesday during the day. If you would like some furniture or are able to help with the move please let me know.

Last Friday the School Captains and I attended the Salesian College Awards Ceremony. It was great to see some of our past students doing so well in their secondary education. We also had two of our current students presented with their scholarship to Salesian. Only five scholarships are presented altogether and how exciting that two of them are going to our students. Congratulations to Alexis Jarski (Art scholarship) and Jameson Haxby (Sports scholarship). We are very proud of you both.

Congratulations to one of our wonderful mums, Deborah McKenna, who together with her sister, Melissa, and their Bake Boss business for winning the Hume Council's new and emerging business award. If you need quality cakes for any occasion Bake Boss is a fantastic option.

Unfortunately we had an incident over the weekend where a car was crashed through the back gate near the police station, over the green, and out through the gates near the church. The school and church were not damaged but the gates and fencing will need to be replaced. It is sad to think that people would do something like this but we will have the repairs completed in the next few weeks.

On Tuesday the Preps held their annual Evergreens Luncheon. What a wonderful experience for the children and people of our Parish. Thanks to Rita and Natalie and all their helpers for making this such a huge success.

This Sunday we will celebrate the 10:30am Mass with our Year 1/2 families. I hope to see many of you there. It is the Feast Of Christ the King:

Gospel Acclamation

Mk 11:9, 10

Alleluia, alleluia!

Blessed is he who inherits the kingdom of David our Father;

blessed is he who comes in the name of the Lord.

Alleluia!

Don't forget our OLMC sports day will be held on Monday. Thank you to the parents who have volunteered to help out. It should be a wonderful day.

Enjoy the week

Julie
