Term 2 Week 3 Thursday, 9 May 2019

Principal's Message principal@olmcsunbury.catholic.edu.au

Dear Parents

Just a couple of notices this week in the absence of Julie.

As you are aware Julie had an operation last Friday. I can report that all went well and that Julie is at home convalescing. I have spoken with her on a number of occasions and I can tell that she is eager to return to work. Depending on how Julie is feeling and her medical advice Julie could be back to work next week sometime. Please keep her in your thoughts and prayers.

On Tuesday night of this week the Sunbury Rotary Club held their annual Primary School Spelling Bee competition. Zyan from grade 6 was OLMC's representative and she did a wonderful job in the competition. I know that her parents and siblings were proud of her achievements and so was the school. Thank you to Mrs Sfyris, Ms Rizzo and Mrs Tighe who attended the event to support Zyan. Well done Zyan!

Today we celebrated Mother's Day with two events. The Mother's Day Stall, held in the morning, was again a huge success with many of the children purchasing a gift for mum. A big thank you to Mrs Bridgit Price who coordinated and organised this event and to the helpers who assisted at the tables selling presents. The second event was OLMC's first ever Mother's Day High Tea. This was another successful event with over 100 mum's and grandmothers in attendance. To Mrs Rosati who coordinated this event, to the caterers and staff who assisted in the preparation of this event I thank you. It was truly a delight to see so many mums enjoying a well deserved cup of tea in a relaxed, friendly manner. I have a strong feeling that this may become an annual event on the school calendar – and rightly so!!

The weather is changing as we know – these cold days are approaching very quickly. Please make sure your child is prepared for the cold weather and I do ask that if they are suffering from any heavy colds that you keep them home until they are feeling better.

Finally, to all our mums and grand mums, have a wonderful day this Sunday. Always remember that what you do for your child/ren will always be appreciated and remembered by them over the years. I hope you can sleep in for a few extra minutes and then enjoy the day with your family.

Regards,

Mark

STUDENT ACHIEVEMENTS

Spelling Competition

On Tuesday, I competed in the Sunbury Rotary Spelling Competition behind Clarke Oval at the Sunbury Social Club. I really enjoyed it. My family and some teachers came to support me. Nine schools (including O.L.M.C) competed too. We ate chicken parmigiana and then we went to the stage with chairs and tables to spell. Every second I was shaking in fear of not knowing how to spell a word. After five rounds we had a break, but right after, we went back for another five rounds. Finally, we ate dessert and the presenter told everyone that Kismet Park won. I had a great experience that day and I'll always remember it.

Zyan Capule 5/6SF

Last Sunday, Ben Carter attended the Victorian State Cavy Championships Bonanza where he showed his pure breed guinea pigs. This was attended by 200 entrants from local and interstate with esteemed senior judges from New Zealand and Western Australia.

Ben's English Self Golden "Blaze" won 1st place in his class and was the best of the breed. He went on to achieve Reserve (runner up) in the prestigious Best Self Group and then in the grand final came 3rd place overall for Best in Show. This was an incredible result given he was beaten by the current Victorian and Australian National Champions. Congratulations Ben, well done!

Fatima Thrift Shop – Thursday, June 13th 2019 in the Multi Purpose Room.

Every second year Fatima House runs a Thrift Shop and this year we will be organising and running the shop in second term – June 13th.

All money raised goes towards the St Vinnies Winter Appeal - in the past we have purchased blankets and coats with the money raised for those in need. This year we will again be buying blankets.

We have sold toys, books, costume jewellery, jigsaw puzzles and clothing in our other thrift shop years and again we ask that if you have any of these items that your children have out grown that you kindly donate to our shop.

We do ask that whatever you have to donate is in good condition.

So please gather any items and place them in the Multi-Purpose Room for the Fatima staff to look after and store.

Fatima House thank you for your support.

Seasons for Growth® Program

Learning to live with change and loss

Change and loss are issues that affect all of us at some stage in our lives. At Our Lady of Mount Carmel we recognise that when changes occur in families through death, separation, divorce and related circumstances, young people may benefit from learning how to manage these changes effectively. We are therefore offering a very successful education program called *Seasons for Growth*. *This program is facilitated in small groups and is based on research which highlights the importance of social support and the need to practise new skills to cope effectively with change and loss. The program focuses on issues such as self-esteem, managing feelings, problem-solving, decision-making, effective communication and support networks.*

If you think your son or daughter would benefit from *Seasons for Growth* we would encourage you to talk to him/her about participating in the program. It is suggested that anyone affected by bereavement or loss wait 6-12 months before participating in a *Seasons for Growth* Program.

Our Lady of Mount Carmel is pleased to be able to offer this important program and we are confident that it will be a valuable learning experience for those who request to be involved. The cost for each child who undertakes the program is \$15.00 which covers a journal that each child keeps at the commencement of the program. The program runs over 8 weeks.

If you would like further information or would like to register your interest for your child or children to be considered for the program please email Shelley Ellis on sellis@olmcsunbury.catholic.edu.au

National Consistent Collection of Data (NCCD) Introducing the new NCCD Portal

A new Portal has been launched to help school communities participate in the Nationally Consistent Collection of Data on School Students with Disability (NCCD).

Every school is required to submit data to the NCCD. The information gathered helps teachers, principals, education authorities and governments better understand and support students with disability.

There is no change to the data submission process this year. However, school communities can access extra support through a comprehensive online resource.

The new NCCD Portal is packed with free and practical resources to support schools and their communities to participate in the NCCD, including e-learning modules, videos, case studies and templates.

The Portal includes step-by-step guides to the NCCD process, explains why data is collected and what supporting evidence is required, and suggests key timelines for action.

The e-learning modules assist school leaders, teachers and teaching assistants to understand their obligations under the *Disability Discrimination Act 1992*, the *Disability Standards for Education 2005* and more.

Parents, guardians and carers can also find tailored information on the Portal.

For more information on the NCCD, visit www.nccd.edu.au.

May 7th 2019

Our Lady of Mount Carmel OSHClub

Service Information

- ◆ Coordinator: Venetia Fernandes
- ◆ Educators : Taylor Reid, Erin Mathieson and Melanie Nadjida
- ◆ Service number : 0401850518
- ◆ Email:
ourladyofmtcarmel@oshclub.com.au

Parent Information

Over the next couple of weeks we will be exploring our environment through gardening. If you have any knowledge or expertise we would greatly appreciate your support.

Come and join us in OSHClub as we can get our hands dirty!

Suggestions: If you have any feedback for us, we could really use your assistance to make OSHClub more community friendly. So please come and provide our staff members with your fantastic ideas!

Last Week in Review

Activities: Creating a television show, stress balls, rounders, volley ball, handball practice (football), felt foot-balls, snack shaped Hama beads, colouring in sheets, dance, practice, routine and performance. Down ball handbook rule, and group games.

In OSHClub we are participating in a sports week, The children enjoyed participating in the various physical activities offered this week!

We joined together to play various group games including kick rounders, volley ball, skipping rope and hula hoop tricks, hand clapping games and hand balling the football to each other. We make sure that everyone has a fair go, is respectful and, has a good sense of sportsmanship when participating in activities.

We show cased our differing talents in our very own OSHClub's Got Talent, all members in before and after care worked on creating a backdrop, stage, signs, microphones and judges' panels.

We had judges Max, Chelsea and Emma watching and providing positive feedback and areas of improvement for each performance. The various performances included, hula hoop tricks, television presentation show, gymnastics, comedy routines and dance presentations.

At the end the children who would move onto the next round by providing them with a golden paper circle.

New changes

Rewards chart: here at OSHClub we want to make sure to use the three Rs. Respect, Responsibility and resilience. We're working to rewarding students with a sticker for upholding the values most important to the schooling community and other in before and after care. If you would like to make a suggestion please contact the service coordinator. Alternatively, you can provide feedback in our new, parent feedback book located at the front of the OSH-Club room year the sign in/out table.

Children's portfolios :in OSHClub we are working towards making sure we have our observation folders completed for our parents. Each week we work towards adding a bit of our personality to the folios.

Parents please make sure to have a look at the portfolios each week. We work very hard towards presenting our best work at all times.

The portfolios are located in the front of the OSHClub room near the sign in/out folders.

Weather changes: please make sure to bring jumpers to before and afterschool care. We love to play outside and , due to weather changes we require a jumper to wear before we go out.

This Week at OSHCLUB
