Term 3 Week 3 Thursday, 1 August 2019

Principal's Message principal@olmcsunbury.catholic.edu.au

Dear Parents,

This week we have had the pleasure of hosting 17 students from Japan. This has been a wonderful experience for the school. I wish to thank our Japanese teacher, Yumiko Aiki, for helping to make this happen and to our wonderful host families who have been looking after the students and showing them the sights of Sunbury and greater Melbourne. Tomorrow we celebrate Japanese day and our visitors will play a major role in running the activities. Children may dress up if they have Japanese costumes, otherwise school uniform is fine. Parents are welcome to visit during the day.

2019 Term Dates

Term 3:

Mon 15th July —

Fri 20th Sept

Term 4:

Mon.7th Oct —

Fri 20th Dec (TBC)

Thank you to the Year 3 parents and children who attended the Reconciliation Parenting in Faith evening on Tuesday night. This was an essential part of your child's preparation for the Sacrament of Reconciliation. Our guest speaker, Paul Spence, focused on how we sometimes miss the point and how this is reflected in our actions towards others. We have a loving, forgiving God who always welcomes us with open arms. This fits perfectly with our Restorative Practices approach.

School Closure Day

Term 3

September 2nd

There has been a lot of illness in the school, including Influenza A. Symptoms may include very high temperatures, with chills, dizziness, aching body parts, diarrhoea, sneezing and coughing. Ask for a swab test at the doctor if you have any doubts and please keep sick children at home.

As you may have seen, the fun house and sports shed have now been demolished. The base will be filled with sand for the time being while we gather quotes and ideas for the best equipment to be placed in this area.

This Sunday we celebrate the 18th Sunday in Ordinary Time

Gospel acclamation

Matthew 5:3 *Happy the poor in spirit; the kingdom of heaven is theirs!*

Enjoy the week

Fantastic Effort Everyone !!

Bread tags for wheelchairs

Please save your bread tags and drop them into any of our collection points. There will be collection points in classrooms and at the office. Donating your bread tags will help with disability and aged care facilities to supply wheel-chair for their patients in South Africa.

They currently collect about 500kg a month which funds 2-3 wheelchairs. Penola house team kindly ask you to ask relatives, cafes, friends and local kindergartens for bread tags to help this amazing fundraiser

Last Week in Review

Activities: skittles rainbow challenge, all about me alphabet challenge , singing competition, child-initiated activities , outdoor free play, what's in the bag experiment, cardboard guitars, fac painting and brake-dancing.

In OSHClub we participated in a variety of different activities, this term we switched up week one, two and three to individual activities rather than themed weeks. We enjoyed getting our hands into the Rainbow Skittle and What's in The Bag ? experiment where children engaged in rich and meaningful inquiry– based experiences. This was managed when children questioned the outcome of the skittles experiment . What would happen when the water was poured over the skittles? Children created an array of different patterns and discussing what would happen to the flavours, shape, and patterns that emerged as a result of the experiment. In the What's in The Bag Experiment children were required to place their hands in a brown paper bag and guess the different objects according to what they felt . Children expanded their curiosity and through questioning and process of elimination they were able to guess all items in the bag.

Community News

We are delighted to announce that SNH has successfully registered to become a Repair Cafe.

BUT WE NEED YOU!

Please join us for an Information Session

- When:** Saturday 17th August, 2019
Who: Anyone; various volunteer roles of repairers, admin, advertising, cake making
Where: SNH 531 Elizabeth Drive Sunbury
Time: 11.30am
RSVP: enquiries@sunburyhouse.com.au or 9740 6978

What's a Repair Cafe

Repair Cafés are free meeting places and they're all about repairing things (together). SNH will host a monthly or bi-monthly meeting where we will have volunteer repairers and their tools available to help repair or teach you how to repair your items rather than discarding to landfill. We anticipate being able to offer repairs on clothes, zippers, belts, small furniture, bicycles, crockery, toys, etc.

Visitors bring their broken item (1 at a time) from home. Together with the volunteer repairer they start making their repairs in the Repair Café. It's an ongoing learning process. If you have nothing to repair, you can enjoy a cup of tea or coffee. Or you can lend a hand with someone else's repair job

Positive Parenting Telephone Service

Our free 6 to 10 Week program helps you to:

-  Have Stronger more positive relationships
-  Set rules and limits
-  Manage everyday behaviour problems

Participants complete a workbook or online modules which are supported by weekly 30 minute phone calls with a trained parenting educator.

All of this can be done from the comfort of your own home at a time that suits you.
