Term 3 Week 4 Thursday, 8 August 2019

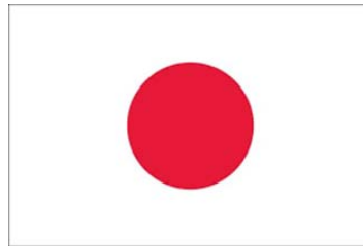

Principal's Message principal@olmcsunbury.catholic.edu.au

Dear Parents,

As you are aware, last week many of our families hosted students from Japan. On Friday we celebrated Japanese Day and the OLMC students and Japanese students worked together with Yumiko and the teachers from Japan to create a fun-filled and educational day. I would love to thank everyone involved in making this day (and the whole week) so successful.

Here are some reflections I have received from our students:

2019 Term Dates

Term 3:

Mon 15th July —
Fri 20th Sept

Term 4:

Mon.7th Oct —
Fri 20th Dec (TBC)

To Mrs Freeman and Sensai

Thanks so much for the day. I had so much fun and I'm pretty sure all the other people did as well. When I did the sumo wrestling I may have bumped heads but still had the time of my life laughing at everyone. Making the food was the part where it made me go hungry, my partner and I had finished eating before everyone else had only half way done. The activities were really fun especially watching people who actually play karate taught me some new things but watching the other classes kicking the bag was really funny. The outside ball game was so much fun and energetic to see which game team would win, Our team won six games but then the Our team won six games but then the last game to win we lost the last game by 2 seconds (I think).

From Brodie!!

Dear Mrs Freeman and Sensai,

Thank you so much for Japanese day. It was really fun I liked helping the people and the activities like the bento box, sumo wrestling and the soroban.

The assembly was really fun because I saw my Japanese student. Hina is very nice and showed me how to make origami and I never knew how to make it. She bought Japanese snacks and they were very yummy. She played AFL with me and ping pong and she is very good. I liked the ball game lots I saw rod get bulldozed and it was funny.

So thank you lots for the Japanese day.

I would like to have one next year because it so fun and the Japanese students are very nice and speak very good English.

Thank you. **From Riley Wilson**

School Closure Day

Term 3

September 2nd

I also received this email from one of the staff members who visited from Japan:

Hi Julie

We came back from Melbourne last night.

Thank you very much for organizing our visit to Mt Carmel Primary School.

It was really wonderful opportunity for our students to visit your school.

They could see the difference between their school in Japan and your school.

They learned a lot from your school and host families.

The children at Mt Carmel were great teacher for our students.

Most of our students didn't want to come back to Japan because they really enjoyed to stay there.

Thank you again. I will see you next year!

Please give my best regards to all teachers.

Best regards,
SumikoTezuka

Today is the Feast Day of our very own Australian saint - Saint Mary Mackillop. Thank you to Sister Jose for guiding us through a prayer service to give thanks and recognise the great work Saint Mary Mackillop did for Catholic schools. Mary and the Sisters of Saint Joseph were committed to serving the poor – to going to where the need was and living amongst those in need. Mary's great advice was when you see a need do something about it. This is never been more relevant in our world than it is today.

Saint Mary MacKillop Blessing

May the abiding presence of God encourage us

May the abundance of God's love enliven us

May the vision of Julian Tenison Woods inspire us

May our love for one another support us

*May God bless us – Provident, Overflowing Generosity,
and Ground of our Hope.*

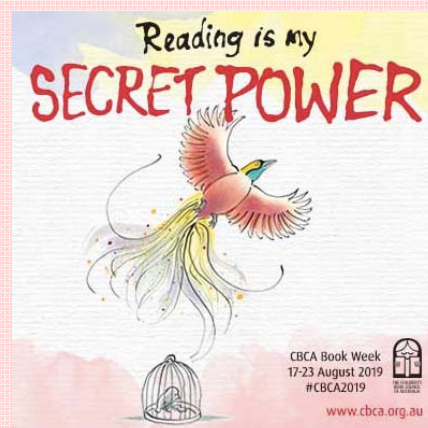

Enjoy the week
Julie

Last Week in Review

Activities: Titanic boats, paper boats, sloths, singing competition, Pokémon ball making, Pokémon treasure hunt ,step-by step animal drawing, making our own comics and cooking cookies.

In OSHClub we participated in a variety of different activities, this term we switched up week one, two and three to individual activities rather than themed weeks. We re-created the boats from the titanic sinking into water including; the iceberg that made the ship sink! .

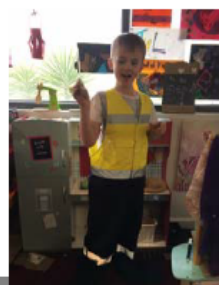

We all got physical when going on our very own Pokémon go hunt in the playground, our educator hid all the differing types of Pokémon all over the playground and, on her lanyard. The kids were quick to discover the last Pokémon Raticate which was slyly hidden. Not to brag, but we also mad the worlds most best cookies and enjoyed chomping them down after a long week!!

Unfortunately Venetia will not be here to coordinate on the 9.8.19 or the 23.8.19 instead Natalie will be assisting her (as a coordinator) on those days.

Here is Zac showing off his awesome Pokémon stress (Left).

Here is William concentrating extra hard on his coloring in. (middle).

Here is Max all dressed up in OSH club(right).

Community News

We are delighted to announce that SNH has successfully registered to become a Repair Cafe.

BUT WE NEED YOU!

Please join us for an Information Session

When: Saturday 17th August, 2019
Who: Anyone; various volunteer roles of repairers, admin, advertising, cake making
Where: SNH 531 Elizabeth Drive Sunbury
Time: 11.30am
RSVP: enquiries@sunburyhouse.com.au
or 9740 6978

What's a Repair Cafe

Repair Cafés are free meeting places and they're all about repairing things (together). SNH will host a monthly or bi-monthly meeting where we will have volunteer repairers and their tools available to help repair or teach you how to repair your items rather than discarding to landfill. We anticipate being able to offer repairs on clothes, zippers, belts, small furniture, bicycles, crockery, toys, etc.

Visitors bring their broken item (1 at a time) from home. Together with the volunteer repairer they start making their repairs in the Repair Café. It's an ongoing learning process. If you have nothing to repair, you can enjoy a cup of tea or coffee. Or you can lend a hand with someone else's repair job
