## Principal's Message [principal@olmcsunbury.catholic.edu.au](mailto:principal@olmcsunbury.catholic.edu.au)

Dear Parents,

The Feast of the Assumption will be celebrated this Saturday 15<sup>th</sup> August. The Assumption signals the end of Mary's earthly life and marks her return to heaven to be reunited with Jesus. While the bodies of both Jesus and Mary are now in heaven, there is a difference between the Assumption and the Resurrection. Where Jesus arose from the tomb and ascended into heaven by his own power, Mary's body was taken up to heaven by the power of her Son.

This is usually a Holy Day of Obligation but given the current state of lockdown, we are still unable to attend Mass in person. This will be celebrated as the Sunday Mass but will be available from Saturday with a child friendly focus. Please remember to access Mass via the Parish website - <https://olmcsunbury.com/>

I hope you are all keep well in this challenging time. I know there have been more of our parents who have lost their jobs or working less hours. If you are experiencing difficulties in making fee payments please do not hesitate to contact me.

Just a reminder to please let your child's teacher know if they will not be engaging in remote learning on a particular day. We have no problems with it as we know there are many others things going on in our families' lives. Please also note that if a teacher does not hear from a child or parent and activities are not completed, the child will be marked as absent.

Next week from Monday I will be self isolating and working from home until Thursday when I will undergo surgery. I hope to be back on board within a week but I will let you know if this time needs to be extended. I can be contacted by email (I may not be able to respond quickly) or you can contact Mark Gleeson [mgleeson@olmcsunbury.catholic.edu.au](mailto:mgleeson@olmcsunbury.catholic.edu.au)

Happy birthday to the following children who are celebrating a birthday this week:

Hello Jackson's Hill community  
My son (Mason 8yrs) has painted some rocks and put them  
in his neighbour gardens, he's hoping other kids can also  
paint rocks and make a hide n seek treasure hunt, to help  
make the walking around the streets a bit more interesting.  
Thanks!! ISO 2.0

I came across this little gem on Facebook. I am thrilled to  
see the wonderful things our students are doing and  
learning during this time.

This Sunday we celebrate the 20<sup>th</sup> Sunday in Ordinary Time.

### **Monday 24 August at 6pm - Media Literacy Lab Bookings through Eventbrite (for parents of 12-16 year olds)**

In a world full of so much information, news and social media how can we support our children to navigate the media and technology landscape?

The Alannah & Madeline Foundation, supported by Google.org, have developed a new education resource called Media Literacy Lab, a partner resource to the eSmart initiative. Join this workshop for parents/carers of teens aged 12 -16 years to learn more about media literacy in schools and discuss ways we can spot and address misinformation and media manipulation at home with your children.
