Term 4 Week 4 Thursday, 29 October 2020

Principal's Message principal@olmcsunbury.catholic.edu.au

Dear Parents,

It is so lovely to see the sun shining again as I write this. I hope it lasts! I can't believe it is the end of week 4 already. The children have settled back into the routine of school life and enjoying spending time with their friends as well.

With several children having to stay home with cold and flu symptoms and being tested, I just wanted to remind you that even with a negative testing result, staff and students must remain at home when there are any symptoms present. This is in line with the advice from the Department of Health and Human Services. Thank you for your co-operation in this matter.

The Year 1s have been busy planting shrubs as part of their Life and Faith unit. It is lovely to see them watering the plants and taking care of them. The importance of Life and Faith is being able to relate our learning to our life as Catholics and how we can make the world a better place.

I look forward to seeing the Book Week costumes tomorrow. The children have been immersed in Book Week literacy activities all week. Next Friday will be Pyjama Day. We will also have icy poles for sale again. Dress ups and icy poles are not compulsory but are a fun and memorable way to finish off the school year.

Thank you to the parents who joined us on Google Meet for our assembly on Monday. We will do this each Monday, just after 9am. I will send you the link each week. There will be no assembly next week due to the long weekend.

Happy birthday to the following children who have a birthday this week:

Bridie Fish Taiyo Marshall Connor Vella
Levi Pansino Charlotte Graham

School is closed on Monday for report writing and Tuesday for the Melbourne Cup Holiday. We will not have another school closure day for 2021 planning. Instead the children will finish at 1pm on the 16th December as previously advised and in line with the other schools in the Parish.

Start dates for next year:

Preps will begin on Friday 29th January. On this day, students in years 1-6 will be given an appointment time to meet with their teacher. They will then begin full time on Monday 1st February. There will be no further school closure days in term 1. I hope to have all school closure and term dates for 2021 to you in the next couple of weeks.

This Sunday we celebrate All Saints Day

Gospel Matthew 5:1-12a *How happy are the poor in spirit.*

Reflection:

I look at Jesus. He knows about poverty, manual work, discrimination. At the same time, he transmits a total sense of peace. Blessedness is in the fact that God is near. God can use those who in the eyes of the world seem to have little value. I think of my own life and challenges today. What would be my own beatitude? I ask Jesus to help me to remember what it means to be truly blessed.

Enjoy the long weekend!

God bless,

Julie
