Principal's Message

principal@olmcsunbury.catholic.edu.au

Dear Parents,

Thank you for the well wishes during my recent surgery and time away from school. I am still on the mend and this week I am only at school for the 2020 Prep Interviews. I hope to be back on deck at least a few hours a day next week. Mark has been doing a wonderful job in my absence and I am very grateful for his support as well as yours.

I was able to attend the Mothers' Day High Tea last week for a short while. What a lovely afternoon! Thank you to the mums, nanas, aunties and other special guests who were able to attend. As Mark said on the day, we are sure this could be the first of many to come. Thanks to Liza Rosati for all the hard work that went into making this event possible, to the staff who helped with some delicious food and for grazingbymarieclaire for the special catering.

2019 Term Dates

Term 2 :

Tue 23rd April —

Fri 28th June

Term 3:

Mon 15th July —

Fri 20th Sept

Term 4:

Mon.7th Oct —

Fri 20th Dec (TBC)

Congratulations to Jack Sheedy and Laiken Hall (year 5) who have made it through to the second round of Basketball Victoria Under 12s. We wish them all the best as they endeavour to make the final team. Great effort, boys!

Good luck to the OLMC Cross Country team who will represent our school at the Sunbury School Cross Country competition on Friday.

Please note that our next School Closure Day will be held on Friday 7th June. I will endeavour to have the term 3 and 4 dates to you as soon as possible.

This week the year 3 and 5 students have participated in the NAPLAN testing. Thanks to all the teachers and parents for making this as stress free as possible for the students. As I have said before, NAPLAN results are only a very small part of your child's progress. By the time the results are published the children will be another 4-5 months ahead in their progress. Teachers are the professionals when it comes to education. Please trust in their professional judgement when it comes to matters related to your child's education.

School Closure Day

Friday June 7th

(Staff PD Day)

Public Holiday

Monday June 10th

(Queen's Birthday)

This weekend we will have the first of our First Communion weekends. Congratulations to the following children who will receive this special Sacrament for the first time. Please keep them in your prayers: Jayden Paoly, Zac Paoly, Tyler Stott, Harper Gatt, and Madalyn Moloney.

Kate Lorenzi (5/6MT) has successfully auditioned for the Theatre Production of The Wizard of Oz Arena Spectacular next year in 2020. She currently does dancing with Concept Studio of Performing Arts and has private singing lessons. She loves performing and singing. Well done, Kate.

On a sad note, we wish to pass on our deepest condolences to the McKenna family (Max 5/6R). Max's grandfather, Dr Paul McKenna, passed away on Tuesday. Dr McKenna had a strong connection with the Sunbury community for many years. Please keep Max, Michael, Deb and Ryan in your prayers.

Today we celebrate International Education Support Staff Day – a day for celebrating the essential contribution that all support staff make to the running of our school. From the canteen to the classroom, from the front office to the library, support staff work hard every day to help our teachers do their job effectively and ensure that our students get the best support possible.

National Volunteer Week is coming up for the Sunbury SES it is a time to celebrate and recognise the work our SES volunteers do across our state and the nation!

On **Wednesday 22nd May**, all Australians are encouraged to wear orange in a united show of thanks for the tremendous work done and commitment shown by SES volunteers.

Wear Orange Wednesday (WOW Day) is a national day of thanks for the many Victoria State Emergency Services (VICSES) volunteers who support their local communities during flood, storm, landslide, road rescue, search and rescue, and more.

In Victoria, SES volunteers responded to more than 31,000 calls for assistance last year, equalling a total of 302,623 operational hours.

Wear Orange Wednesday this year is on the **22nd of May**. Sunbury SES, have asked us to participate in this day by holding a **casual clothes day and to wear as much orange as possible or have the students accessorise their school uniforms with something orange** to show our support of the SES. The Sunbury unit would love ALL schools in Sunbury/Diggers Rest to take part.

They will be running a colouring competition on this day with winners announced by Friday 24th May. There are some brilliant prizes to be won including our exclusive SES lunch boxes, chocolates, SES arm bands and other cool prizes!

This Sunday we celebrate the 5th Sunday of Easter.

Gospel

John 13:31–35

I give you a new commandment: love one another.

What an important commandment. How simple and beautiful would our lives be if we could all live by these simple words.

Enjoy the week

Julie

Lost Property Reminder : please check the lost property cupboard located in the MPR if your child is missing any school items as it is currently overflowing with school uniform & food/drink containers. A reminder to label all items with your child's name to enable a speedy return.

Thank you

Fatima Thrift Shop – Thursday, June 13th 2019 in the Multi Purpose Room.

Every second year Fatima House runs a Thrift Shop and this year we will be organising and running the shop in second term – June 13th.

All money raised goes towards the St Vinnies Winter Appeal - in the past we have purchased blankets and coats with the money raised for those in need. This year we will again be buying blankets.

We have sold toys, books, costume jewellery, jigsaw puzzles and clothing in our other thrift shop years and again we ask that if you have any of these items that your children have out grown that you kindly donate to our shop.

We do ask that whatever you have to donate is in good condition.

So please gather any items and place them in the Multi-Purpose Room for the Fatima staff to look after and store.

Fatima House thank you for your support.

Kindest regards

From the staff and students of Fatima House

Seasons for Growth® Program

Learning to live with change and loss

Change and loss are issues that affect all of us at some stage in our lives. At Our Lady of Mount Carmel we recognise that when changes occur in families through death, separation, divorce and related circumstances, young people may benefit from learning how to manage these changes effectively. We are therefore offering a very successful education program called *Seasons for Growth*. *This program is facilitated in small groups and is based on research which highlights the importance of social support and the need to practise new skills to cope effectively with change and loss. The program focuses on issues such as self-esteem, managing feelings, problem-solving, decision-making, effective communication and support networks.*

If you think your son or daughter would benefit from *Seasons for Growth* we would encourage you to talk to him/her about participating in the program. It is suggested that anyone affected by bereavement or loss wait 6-12 months before participating in a *Seasons for Growth* Program.

Our Lady of Mount Carmel is pleased to be able to offer this important program and we are confident that it will be a valuable learning experience for those who request to be involved. The cost for each child who undertakes the program is \$15.00 which covers a journal that each child keeps at the commencement of the program. The program runs over 8 weeks.

If you would further information or would like to register your interest for your child or children to be considered for the program please email Shelley Ellis on selis@olmcsunbury.catholic.edu.au

National Consistent Collection of Data (NCCD) Introducing the new NCCD Portal

A new Portal has been launched to help school communities participate in the Nationally Consistent Collection of Data on School Students with Disability (NCCD).

Every school is required to submit data to the NCCD. The information gathered helps teachers, principals, education authorities and governments better understand and support students with disability.

There is no change to the data submission process this year. However, school communities can access extra support through a comprehensive online resource.

The new NCCD Portal is packed with free and practical resources to support schools and their communities to participate in the NCCD, including e-learning modules, videos, case studies and templates.

The Portal includes step-by-step guides to the NCCD process, explains why data is collected and what supporting evidence is required, and suggests key timelines for action.

The e-learning modules assist school leaders, teachers and teaching assistants to understand their obligations under the *Disability Discrimination Act 1992*, the *Disability Standards for Education 2005* and more.

Parents, guardians and carers can also find tailored information on the Portal.

For more information on the NCCD, visit www.nccd.edu.au.

Last Week in Review

In OSHClub we are participating in mothers day week this week and the children enjoyed making lots of different things for our mums, nannas, and special people in our life.

We joined together to do various crafts including Hama beads, dream catchers, photo holders, jewellery making and cards. The mother's day questionnaire was a hit and the children shared lots of funny things about their mum. Be sure to look out for these entertaining questionnaires.
