This Sunday we celebrate the Feast of St Mary of the Cross (Mackillop) This is a special feast for OLMC as we are grateful for the work of the Josephite Sisters in our school and Parish. Mary Mackillop was the first Australian saint and her influence in this country has spread far and wide. She is recognised for her commitment to the poor, helping those who needed it the most in any way she could. She reminded us to "never see a need without doing something about it". This was at the heart of her vocation.

As you would be aware, Paula Seric has been on leave since the end of term 1, caring for her husband Anthony. We received great news today that Anthony would be coming home after four months of being in hospital. Paula wished to thank everyone for their prayers and support and has asked for continued prayers for Anthony.

Thank you for your support and cooperation in helping us maintain our Covid Safe Plan and adhere to regulations from the State Government. We miss seeing you in the school yard and are hoping for some easing of restrictions in the coming weeks. A reminder that we cannot have parents and grandparents dropping off or waiting in the school yard at this point. If someone else picks up your child, please let them know. Outside agencies are still not permitted onsite. If your child has a therapist that has been organised by your family, they need to work with your child offsite for now. This is a government directive.

Term 3 Week 4 Thursday, 5 August 2021

The Olympics have proven to be a welcome distraction for the past couple of weeks. It has been so rewarding to hear of all the stories behind the athletes and many are a great inspiration for us in our own lives. They have dealt with disappointment rejection, sacrifices, ups and downs. There is a great video that exemplifies resilience where a Dutch runner falls during her race, picks herself up, and ends up winning the race. This is a great lesson for us all and something to chat to our children about. Some of the teachers have

shown the video to their students.

Congratulations to Alexander Mitanidis for his amazing fundraising efforts. Alexander was able to redeem a bicycle for his efforts. Thanks again to everyone who supported the Colour Run. I am meeting with a local nursery next week to look at what we could do to create an outdoor sensory space. If you know of any landscape gardeners looking for work, please send them our way.

Happy birthday to everyone celebrating this week and last week:
