Principal's Message principal@olmcsunbury.catholic.edu.au

Dear Parents

On Tuesday and Wednesday evenings we began the first step in preparation for the year 4s to receive the Sacrament of Eucharist. The Family Faith sessions were run by the three Religious Education leaders from the Sunbury Catholic Primary Schools: OLMC, Holy Trinity and St Anne's. Thank you to everyone who attended and to Nelson, David and Simon for the work that went into preparing for and presenting the evenings. Please note that if your child is receiving a Sacrament, it is expected that they take part in all of the preparation, including nights such as these and the various presentation Masses.

This next presentation from <u>The Resilience Project</u> is all about Empathy and Kindness. Empathy is our ability to put ourselves in the shoes of others to feel and see what they do. We practise this through being

kind and compassionate towards other people. Brain imaging data shows that being kind to others registers in the brain as more like eating chocolate than like fulfilling an obligation to do what's right (e.g. eating brussell sprouts)! Research shows that practising empathy, such as performing acts of kindness, taps into our brain's 'mirror neurons', builds compassion and our behaviour becomes more social and community-based.

View Part 3 of the series here - Empathy https://theresilienceproject.com.au/parent-and-carer-hub-hugh/ Here's an activity to practise empathy and kindness:

- 1. Reflect on someone in your life who could benefit from an act of kindness today. It could be a friend who would love some affirmation about their work, your pet who deserves an extra treat, or a family member who would love a phone call or text message.
- 2. Make a plan for who you are going to show an act of kindness to, and what you are going to do.
- If you want to add accountability to your plan, share it with someone else and encourage them to do the same thing.
- 4. Follow up with each other in a few days time, to ask how it went!

Student's Writing

Last year we began a writing project with MACS, called Grammar In Context. We have studied rich picture stories to discover the way in which authors choose and use words.

One aspect is called Patterned Writing:

The text is Dog Lost by Jan Ramage and Brian Simmonds

The excerpt is:

"Dog wanders on...along the lonely road, where the earth beneath is dry and hot. Songless birds watch him pass, as lizard darts away."

Our author Ruby Lane wrote:

The wombat truds on the bare forest ground. Where ash and despair gathers in the shurb. The possums aren't flying and no trees are talking, as Wombat feels sorrow while the last kookaburra laughs in this silent forest, to be no more.

While Julian Caruana wrote:

The sun rose...in the blood red sky. Where the periwinkle moon had just left. Sydney plays with her younger brother, as her parents watch the sky dazed and hypnotised.

I would like to congratulate Ruby, Julian and their teachers on their great work.
