## Principal's Message [principal@olmcsunbury.catholic.edu.au](mailto:principal@olmcsunbury.catholic.edu.au)

Dear Parents,

As you know Julie and Nelson are following in the footsteps of Saint Mary MacKillop on a pilgrimage. They have visited many sacred landmarks that are an important part of Saint Mary MacKillop's life journey. I am sure they will have many stories to share of this pilgrimage when they return to school next Monday. I pray that they continue to have a safe journey and look forward to their safe return.

### School Address

53 Macedon St  
Sunbury 3429  
9740 7344

Great Western Water will be conducting a rebuild of the water main in Jackson Street to the bottom of John Street starting Friday 26th August, Monday to Friday, from 7.30am to 5.00pm for approximately 2-3 weeks.

### What to expect:

- There will be construction noise and dust from machinery and construction vehicles during working hours.
- Changes to traffic will include lane closures, reduced on street parking during the works. --Traffic management will be onsite to assist vehicles.
- Parking in Jackson Street is going to be very difficult so I would suggest finding alternate parking places. To avoid as much congestion as possible parking across the other side of Macedon Street may be the best option and then you can walk across the street at the crossing.

The Trivia Night was a great success, \$2000 was raised which is an outstanding result. Thank you to the wonderful organising team who put great effort into making it an enjoyable evening for all attending.

Though the mornings are still cold and we have some very pleasant afternoons and welcome sunshine. With spring only a week away I hope that the weather will continue to improve but as we all know springtime can also be fickle.

As reported earlier in the week via Seesaw we have had a reported case of Chickenpox in the school. Please monitor for signs and symptoms.

Looking at the weather for this weekend it seems very promising, I hope that you can all enjoy family time together in the warmth that is forecast. Take care of one another and we will see you all on Monday.

Kindest regards,

Mark
