Term 3 Week 10 Thursday, 15 September 2022

Principal's Message principal@olmcsunbury.catholic.edu.au

Dear Parents,

This week we welcomed Anna and Olexii and their parents into the OLMC community. The family has come from war torn Ukraine and what an amazing opportunity we have been given to put into practice all we believe about social justice and being the hands and heart of God. Thank you for all the offers of support. If the family is in need of anything I will out a call out to the community for assistance.

The end of term is finally in sight and what a term it has been. Thank you for all of your ongoing support and feedback throughout the past few months. There have been some challenged along the way, but we have worked together to ensure our students were well cared for, supported and challenged. For those who are heading away, have a safe and restful journey. I look forward to seeing every one return safely next term.

The Macedon Street service road work is well underway. Thank you for your patience and adhering to safety during this time. Early next term I will give you an update on the projected timeline. Please remember that parents and guardians are very welcome in the school grounds before and after school.

As you would be aware from my emails and Seesaw messages, we are transitioning into the use of Operoo for permission notes and medical information. If you have not received an email from Operoo with your log in details, please let me know. We are new to the system as well and are learning with you so please be patient but we feel this is a far more efficient and sustainable way forward.

This week we farewelled Annemarie O'Connell who introduced Auslan to OLMC. The Prep -2 students will continue Auslan with Kerriane Bell-Merrick and Kiera McMahon will take on the year 3-6 students in term 4. We wish Annemarie all the very best ad thank her for everything she has done here at OLMC.

We also welcome Sarah Magro as a Learning Support Officer. Sarah is currently working with the Prep and year 2 students and she has already made a very positive impact on our school.

Yesterday the whole school was involved in a Cyber Safety incursion. The students were taught how to stay safe online. Next term you will be invited to join a parent webinar which is vital for any parent whose child accesses the internet in any way. The aim of the Cyber Safety Project is 'to empower every young Australian to self manage their digital safety and wellbeing through proactive education'.

School Address

53 Macedon St
Sunbury 3429
9740 7344

School Closure Day

Monday 31st
October

Happy birthday to everyone celebrating over the next week and school holidays: I hope you have a wonderful day.

Mrs. Freeman Jack Walsh Xavier Roberts

 ‘The only things we take with us from our life on earth are those which we have given away.’

God bless and stay safe,
 Julie

SPLASH PUPIL OF THE WEEK AWARD

| Class | Pupil of the week | Has demonstrated the 3 R's |
|--------|-------------------|--|
| Prep C | Ivan Rajab | For being a risk taker in his learning and always being ready to jump into the learning pit and give all tasks a go. Well done Ivan, keep up that self motivation! |
| Prep J | William Graham | For his wonderful efforts in researching, recording facts and the lifecycle of his chosen animal the Ringtail Possum. Brilliant focus William! |
| 1 H | Kieran Nevin | For using the learning disposition of 'risk taking' during math tasks when identifying different shapes and learning new words. Keep up the amazing approach to learning Kieran. |
| 1 R | Owen Scown | For showing kindness to others through his words and actions. You are a great role model for others ! |
| 2 A | Olivia Lethlean | For taking on feedback and making a concerted effort to improve her handwriting and the presentation of her work. |
| 2C | Liam Cahill | For being a determined and curious learner and writing a sensational information report about sloths. |
| 3/4 C | Annabelle Macken | For demonstrating resilience and working outside of her comfort zone. Since joining our O.L.M.C community, you have been faced with many new challenges. You have been very courageous in making new friends and are an awesome addition to our 3/4 C class. |
| 3/4 M | Mason Marinelli | For using the learning dispositions of persistence and resilience when solving fraction problems in Maths. |
| 3/4 R | Bradley Spark | For using the learning dispositions in his everyday learning. This week, Bradley used the learning disposition of collaboration when he actively listened to his peers. |
| 5 D | Sara Farah | For an outstanding piece of work that explained how she uses the "Fruits of the Holy Spirit" in her daily life. |
| 5 T | Mia Levey | For her hard work and dedication to her natural disaster presentation on Tsunamis |
| 6 C | Jaida Kelly | For consistently striving to do her best in all areas and having a growth mindset when working on maths tasks, especially those involving multiplication and division. |
| 6S | Kiara Anthony | For developing her growth mindset and showing greater focus and determination when working on learning tasks. |

Literacy News

Hi parents and caregivers

In Life and Faith, Preps have been working hard researching a chosen animal and documenting facts. They also wrote about ways they could show care, love and compassion to these creatures and pets at home.

I can show care to koalas by planting more trees and putting out bushfires -**Kaius**

I can show love and take care to dogs by letting them in when it is raining -**Marley**

I can help koalas by not cutting the trees -**Chloe**

I can show love for koalas... by not cutting down trees. I can show care for koalas... if I go camping in the bush I won't set a big bush fire I will set a little fire to keep us warm. I can show compassion for koalas... if I'm going for a bush walk and there is a fire I can call the fire station -**Millie**

I can show love and care for butterflies by keeping them safe and stop my brother from catching them -**Luci**

I can show care to a ringtail possum by giving it the right food -**William**

I can show care and love by not throwing rubbish in where the cheetahs live - **Olivia**

I can show love by giving food to my dog and giving cuddles -**Zoe**

I can show care and compassion to elephants by giving water to them - **Xavier**

I can show love for my dog by feeding him and giving him cuddles -**Clementine**

I can show love to elephants by giving them food and I will clean them - **Jimmy**

I can show love to cheetahs by saving them from bush fires -**Noah**

I can love a cat by feeding and giving water - **Luka**

I can show love for a bilby by giving it apples -**Patrick**

I can show love to cats by giving food and water and playing -**Islah B**

I can show cats love by giving drink and food when it's purring -**Isla W**

We like to share the wonderful achievements of the students in Prep.

Secondly just a reminder that the Book Week will be on Monday Week 3 Term 4 at 9:00. It will be outside on the basketball court if it is not raining.

Evelyn Pickering
Literacy Leader
