Principal's Message principal@olmcsunbury.catholic.edu.au

Dear Parents,

What a day we had yesterday with our excursion to see Mary Poppins. It was an amazing experience for everyone involved. A huge thank you to our Performing Arts teacher, Hayley, Penno, for making the impossible possible!

Work on our new adventure playground has begun this week and it is already well underway. It has been exciting to see the demolition and preparation for the new works. Keep up to date on our Instagram page as the work continues. Thank you for your patience and cooperation as we have to make alternate arrangements to enter and leave the school during this project.

Term 2
School
Closure Day
Monday 22
May

Over the past few months we have been working on a new marketing strategy for the school. As a result, the first thing that has been produced is a new school logo. We wanted to ensure we stayed true to the important elements of our current logo, while adding a strong element of Catholic Identity and bringing the logo into the 21st Century. The new logo will eventually appear on our uniform but don't worry, you won't be expected to go out and replace everything you already own. There will be a 2 year period to phase it in.

As we celebrate Mother's Day this weekend, we would like to take a moment to honour all the amazing mothers in our school community. Mothers play a vital role in shaping the lives of their children and we are grateful for all the love, support, and sacrifices they make on a daily basis.

To all the mothers of our OLMC students, we want to say thank you for being such wonderful role models and for all the hard work you do. Your dedication to your families, your willingness to go above and beyond, and your endless love are truly appreciated. We are grateful for the love, guidance, and nurturing that mothers provide to their children.

We hope this Mother's Day brings you joy, relaxation, and time to reflect on all the amazing things you do. You are the backbone of our families and our community, and we could not do it without you.

We recognize that not all of us have a mother present in our lives, whether it be due to distance, loss, or other reasons. To those who have lost a mother, we want to acknowledge the pain and heartache that this day may bring. We send you love and support during this difficult time. To those who have stepped into the role of a mother figure, we thank you for your love and dedication. Whether it be an aunt, grandmother, older sister, or family friend, you have made a significant impact in the lives of those around you.

To all the mothers out there, we want to express our deepest gratitude for the love and sacrifices you make every day. Your presence and guidance are invaluable to your children, and we are grateful for all that you do. Being a mother is the greatest gift I have in my own life. Through all of the trials and tribulations of motherhood I feel so blessed to be mum to my daughters, Marieclaire and Eloise. Watching my daughters grow into adults and to support them through school and university has been a blessing in itself. I have had the opportunity to witness their first steps, their first words, and all the milestones in between and since. I have seen them develop their own passions and interests, and have had the honour of supporting them every step of the way.

Don't forget our Mother's Day celebration tomorrow, starting at 8:50 in the church and then moving into activities in the classrooms until 10am. As mentioned in last week's newsletter, this week's SPLASH award will be given out tomorrow morning and there will be no assembly on Monday 15th May. **Happy Mothers Day**

Dear God,

We come to you today with grateful hearts as we celebrate Mother's Day. We thank you for the gift of mothers, who bring love, care, and nurturing into our lives. We ask that you bless all mothers today and always.

For those who have lost their mothers, we pray that you comfort them and give them peace. For those who are struggling to become mothers, we pray for strength, courage, and hope. For those who have strained relationships with their mothers, we pray for healing, forgiveness, and reconciliation.

We ask that you give mothers the wisdom, patience, and strength to guide their children through life's challenges. We pray that you give them the ability to be present, to listen, and to offer comfort and support when it is needed.

We ask that you bless mothers with good health, peace of mind, and joy in their hearts. We pray that they feel appreciated, loved, and valued for all that they do.

Above all, we ask that you bless all mothers with your grace, love, and protection. May they feel your presence in their lives, and may they always know that they are cherished and loved.

We offer this prayer in gratitude and love, and we ask for your blessings on all mothers today and always.

Amen.

Happy Birthday to everyone who is celebrating their special day this week. I hope you have a fabulous day!

This Sunday we celebrate the 6th Sunday of Easter.

John 14:21-26

The image of 'home' is strong in the gospel - Jesus would visit the house of Zacchaeus, visit the home of Peter, and makes home in each of us. He knocks at the door and waits to be invited into our space and our lives. He is not a crowding visitor but one who accepts what he sees and enjoys our welcome. Prayer is our time of welcoming Jesus into our day and our lives

God bless,

Julie
