

## Principal's Message

Dear Parents,

It seems we really are in the midst of Winter with this chilly blast over the past few days. I hope you are keeping warm and healthy. Just a brief newsletter this week with a couple of reminders. Gloves, beanies and scarves are available at the front office. Thank you for the feedback on the colour of the shorts and pants. We will make a decision in the coming week or so.

The year 3 children will receive the Sacrament of Reconciliation in September. Information regarding registration will be sent out next week.

I draw your attention to the OLMC Parent/Guardian/Carer Code of Conduct and, in particular, the unacceptable behaviours. This is available on the school website and they are listed here for you. Please note that it is a condition of your child's enrolment that this code of conduct is followed.

### Unacceptable conduct includes, but is not limited to:

- touching, handling, pushing or otherwise physically or sexually engaging with students, children or others in a manner which is not appropriate and may endanger the health, safety and wellbeing of that person,
- any form of physical or verbal violence including fighting, assault or threats of violence or behaviour that is otherwise harmful, threatening or abusive,
- approaching a child that is not your own with a view to disciplining that child for their behaviour. Such matters are only to be dealt with by school staff,
- approaching other school parents to resolve issues arising between students at school. Such matters should be referred to school staff,
- any form of cyber bullying or cyber abuse that is directed towards the school, staff members, students or parents or any member connected to the school,
- any form of threatening language, gestures or conduct
- language or conduct which is harmful, threatening, abusive or likely to offend, harass, bully or unfairly discriminate against any student, employee, contractor, volunteer or other person,
- corresponding or communicating with school staff in a manner which is unreasonable (including for example, via email or app's) in terms of the frequency or volume of communications, or the nature or tone of such communications,
- theft, fraud or misuse of school resources,
- the use of inappropriate or profane words or gestures and images,
- visiting school, attending social, sporting or other functions while intoxicated by alcohol or under the influence of illicit drugs or other substances harmful to health,
- smoking on the school premises or within the immediate environs of the school,
- claiming to represent the school in any matter without explicit permission from the school principal to do so.

## OLMC Production Update...

This week the Cadbury Chocolate Fundraiser starts, a huge thank you to all families that are participating or have made donations. All money raised will go towards venue hire, props, sets and costumes for the production. We have also been very fortunate to receive a

donation from Sunbury Bunnings, who have supplied building materials and a voucher equalling to an overall value of \$300. This has gone towards the making of the screens in each scene, which students will begin to paint and design soon. Rehearsals with the main cast started this week and the students are doing an amazing job. All classes are working very hard on their designated song for the production. Letters will be sent home shortly advising of what costumes and outfits will be required for the performance. Thanks Ms Hayley

# SUNBURY ROAD UPGRADE

JULY 2023

Crews have achieved major milestones including two intersection upgrades

## We're upgrading Sunbury Road between Powlett Street and Bulla-Diggers Rest /Loemans Road to improve connections and make your journey safer and more reliable.

Our crews have made strong progress this year, clocking in over 250,000 hours to achieve major milestones:

- We upgraded and opened the Lancefield Road intersection ahead of schedule
- The new bridge over Jacksons Creek continues to take shape with piers, beams and deck now in place
- We delivered another 1.5km of new city bound lanes and vehicles are now using over 6.8km of new lanes

- We completed 5 weeks of round the clock work to upgrade the intersection of Francis Boulevard ahead of schedule.

As we mark 14 months of work, we're now operating along the entire length of the project. We'll be making a big push to complete the remaining sections and rehabilitate the Sunbury bound lanes over the coming months.

### Upcoming works

As we continue working through Winter, we'll:

- start laying new asphalt, install road safety barriers, and build a new walking and cycling path between Bulla-Diggers Rest/Loemans Road and Shepherds Lane

- continue major earthworks, installing drainage, and relocating major utilities along the new Sunbury bound lanes from Shepherds Lane to Lancefield Road
- remove asphalt from the old Sunbury Road lanes in the next stage of rebuilding the Sunbury bound lanes
- continue building the new bridge at Jacksons Creek including building the retaining walls, installing safety barriers, and relocating water mains

Track our progress on our interactive map. Visit [roadprojects.vic.gov.au/sunbury](https://roadprojects.vic.gov.au/sunbury)

# Changes to how you travel

## Pedestrian path along Sunbury Road closed until late 2023

The path from Francis Boulevard to Powlett Street will remain closed until late 2023. Pedestrians and cyclists will be able to use the new path once the new bridge over Jacksons Creek is completed and opened to traffic.

## Origin Drive access change

While Sunbury bound lanes are being constructed, drivers are temporarily permitted to turn right from Origin Drive onto Sunbury Road. This right-turn out will be in place until the Sunbury bound lanes of Sunbury Road are opened to traffic in mid to late 2023.

## Open for Business

While our work is underway on the Sunbury Road Upgrade, we're committed to maintaining access to businesses.

The local shops in Goonawarra are open for business as usual, and we encourage the community to support local businesses by shopping in the area.

Thanks for your understanding while we complete these important works
